50 Guest Road

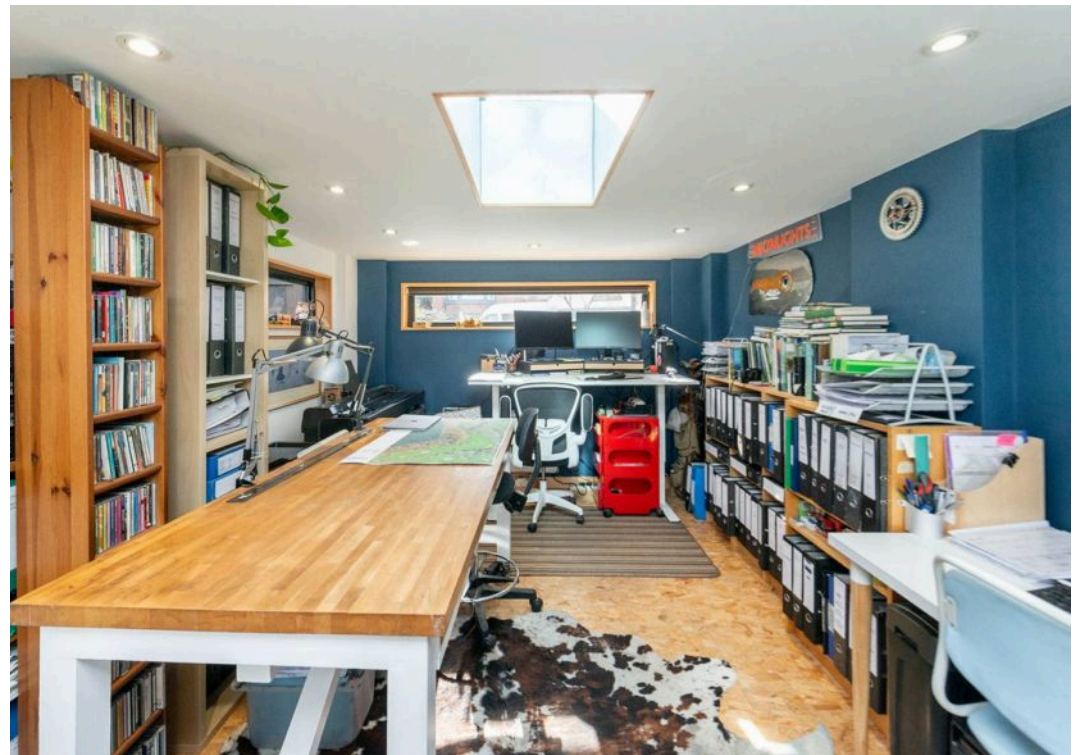

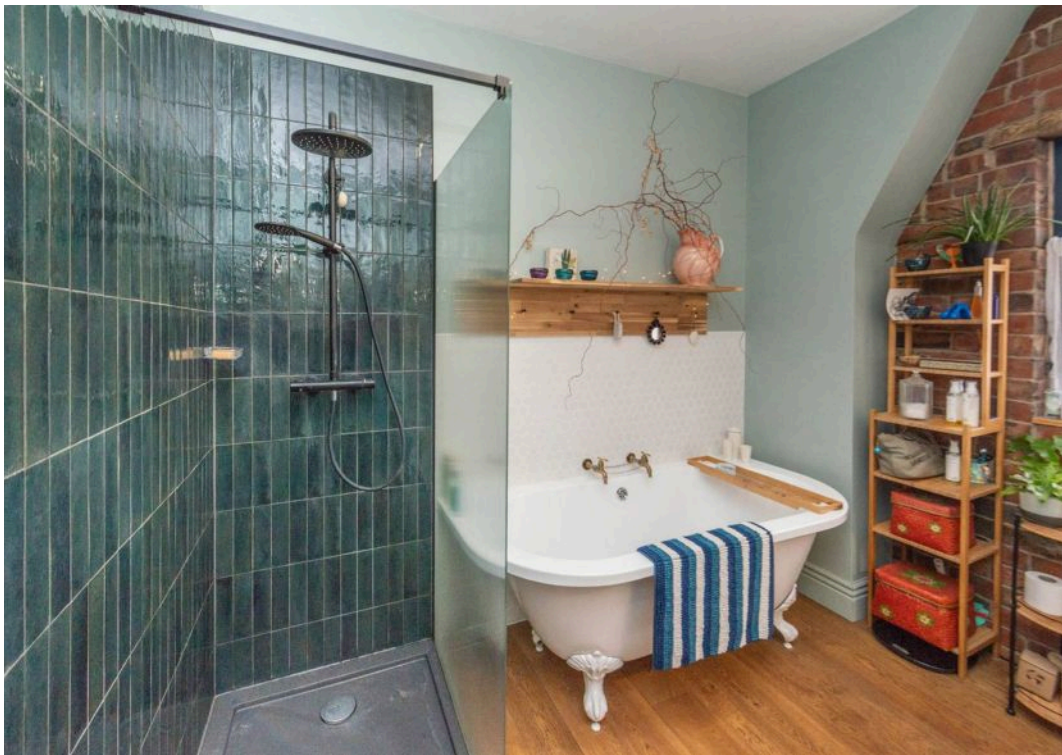

Hunters Bar, Sheffield

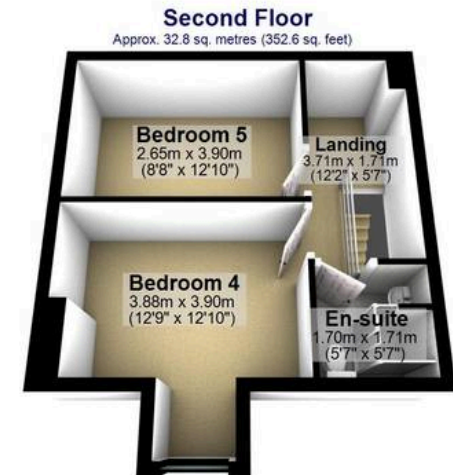

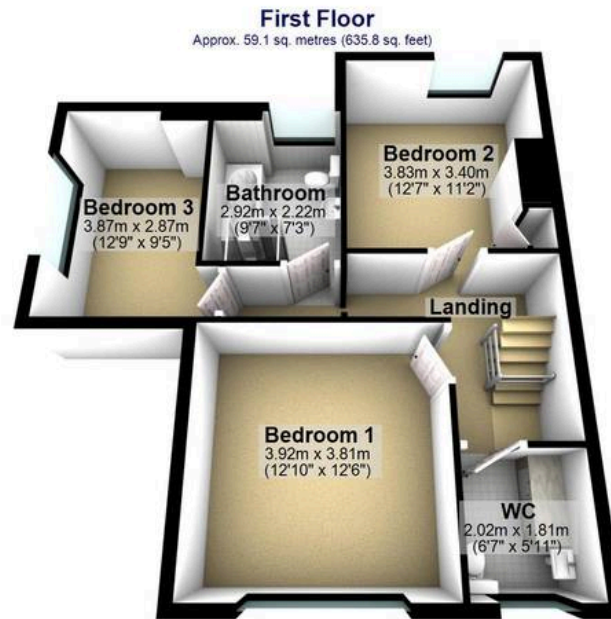

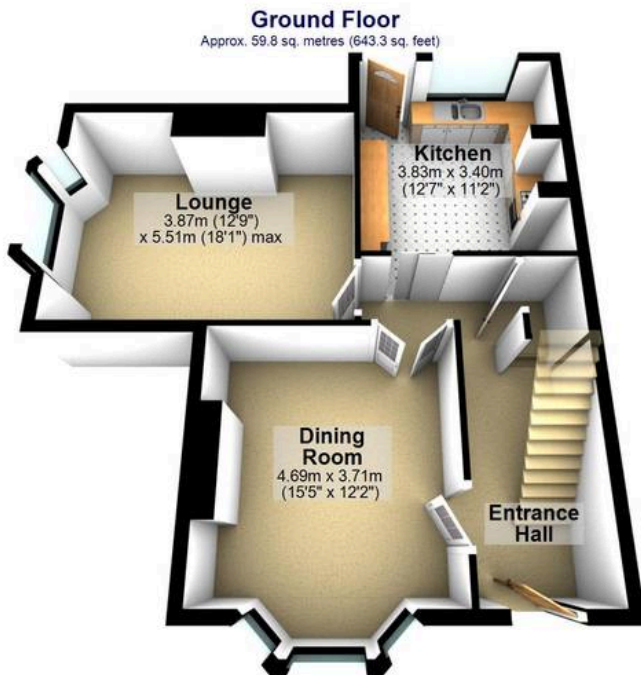

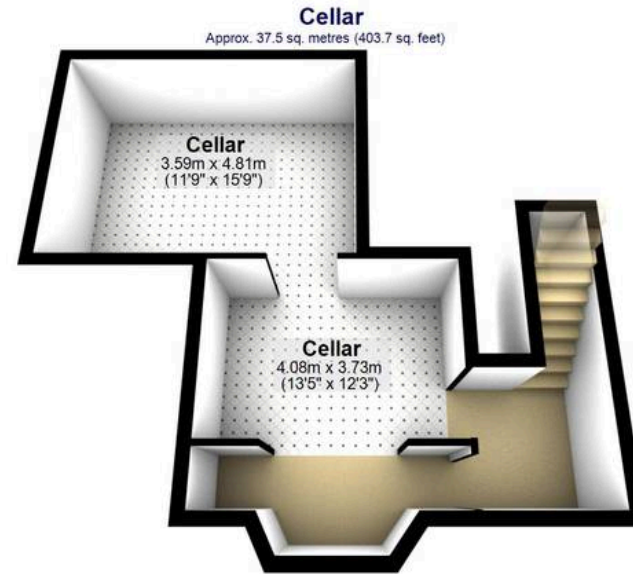

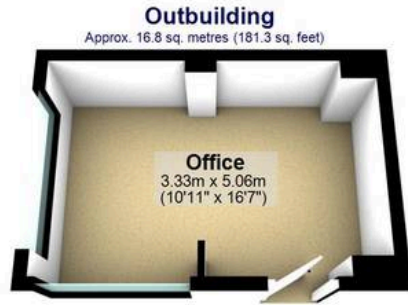

An absolutely stunning, immaculately presented and very deceptive, five bedroom, two bathroom, end-of-terraced Victorian home. Offering an incredibly rare opportunity to market for a property of this size and calibre in recent years number fifty offers a truly unique internal layout that flows over three gorgeous floors totalling an impressive 2,216 sq feet. Finished internally to a super high standard throughout by the current vendors to create this contemporary and modern vibe that has been careful to retain the original period features, character and charm associated with a property from this era but effectively managed to blend them in to a superb high end finish with absolutely no expense spared. Enjoying off road parking via two separate driveways that is unheard of in this area, rear private garden that benefits from a bespoke hand built garden office.
