58 Queen Victoria Road

Totley Rise, Sheffield

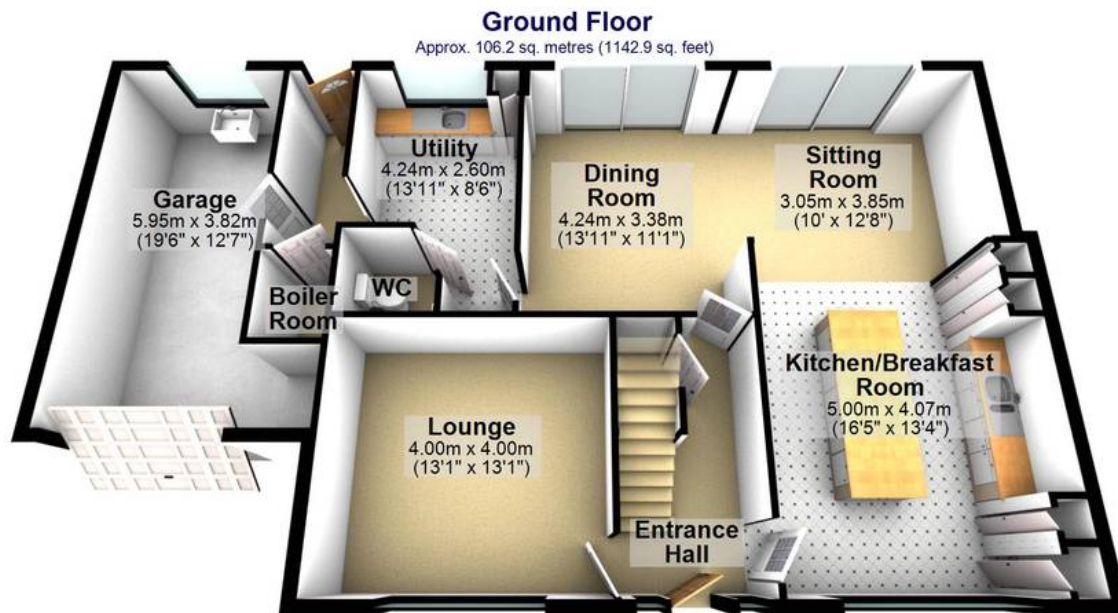

Redefining the term contemporary open plan family living in every sense of the word, this stunning four-double bedroom, two bathroom, detached family residence on this iconic Sheffield road has been recently finished to the very highest of standards by the current vendors. With absolutely no expense spared, attention to detail, and a real flare for design, the original property has been taken back to brick and fully rebuilt internally over the last few years. The renovations include a full new plumbing system, re-wire, windows, and doors, amongst other changes. The property boasts sensational uninterrupted views over towards the Peak District to the front, a sweeping driveway with the original gate posts still in place, two garages, and private front, side and rear gardens.
