Sheffield

Guide Price £350,000 - £375,000

253 Greystones Road

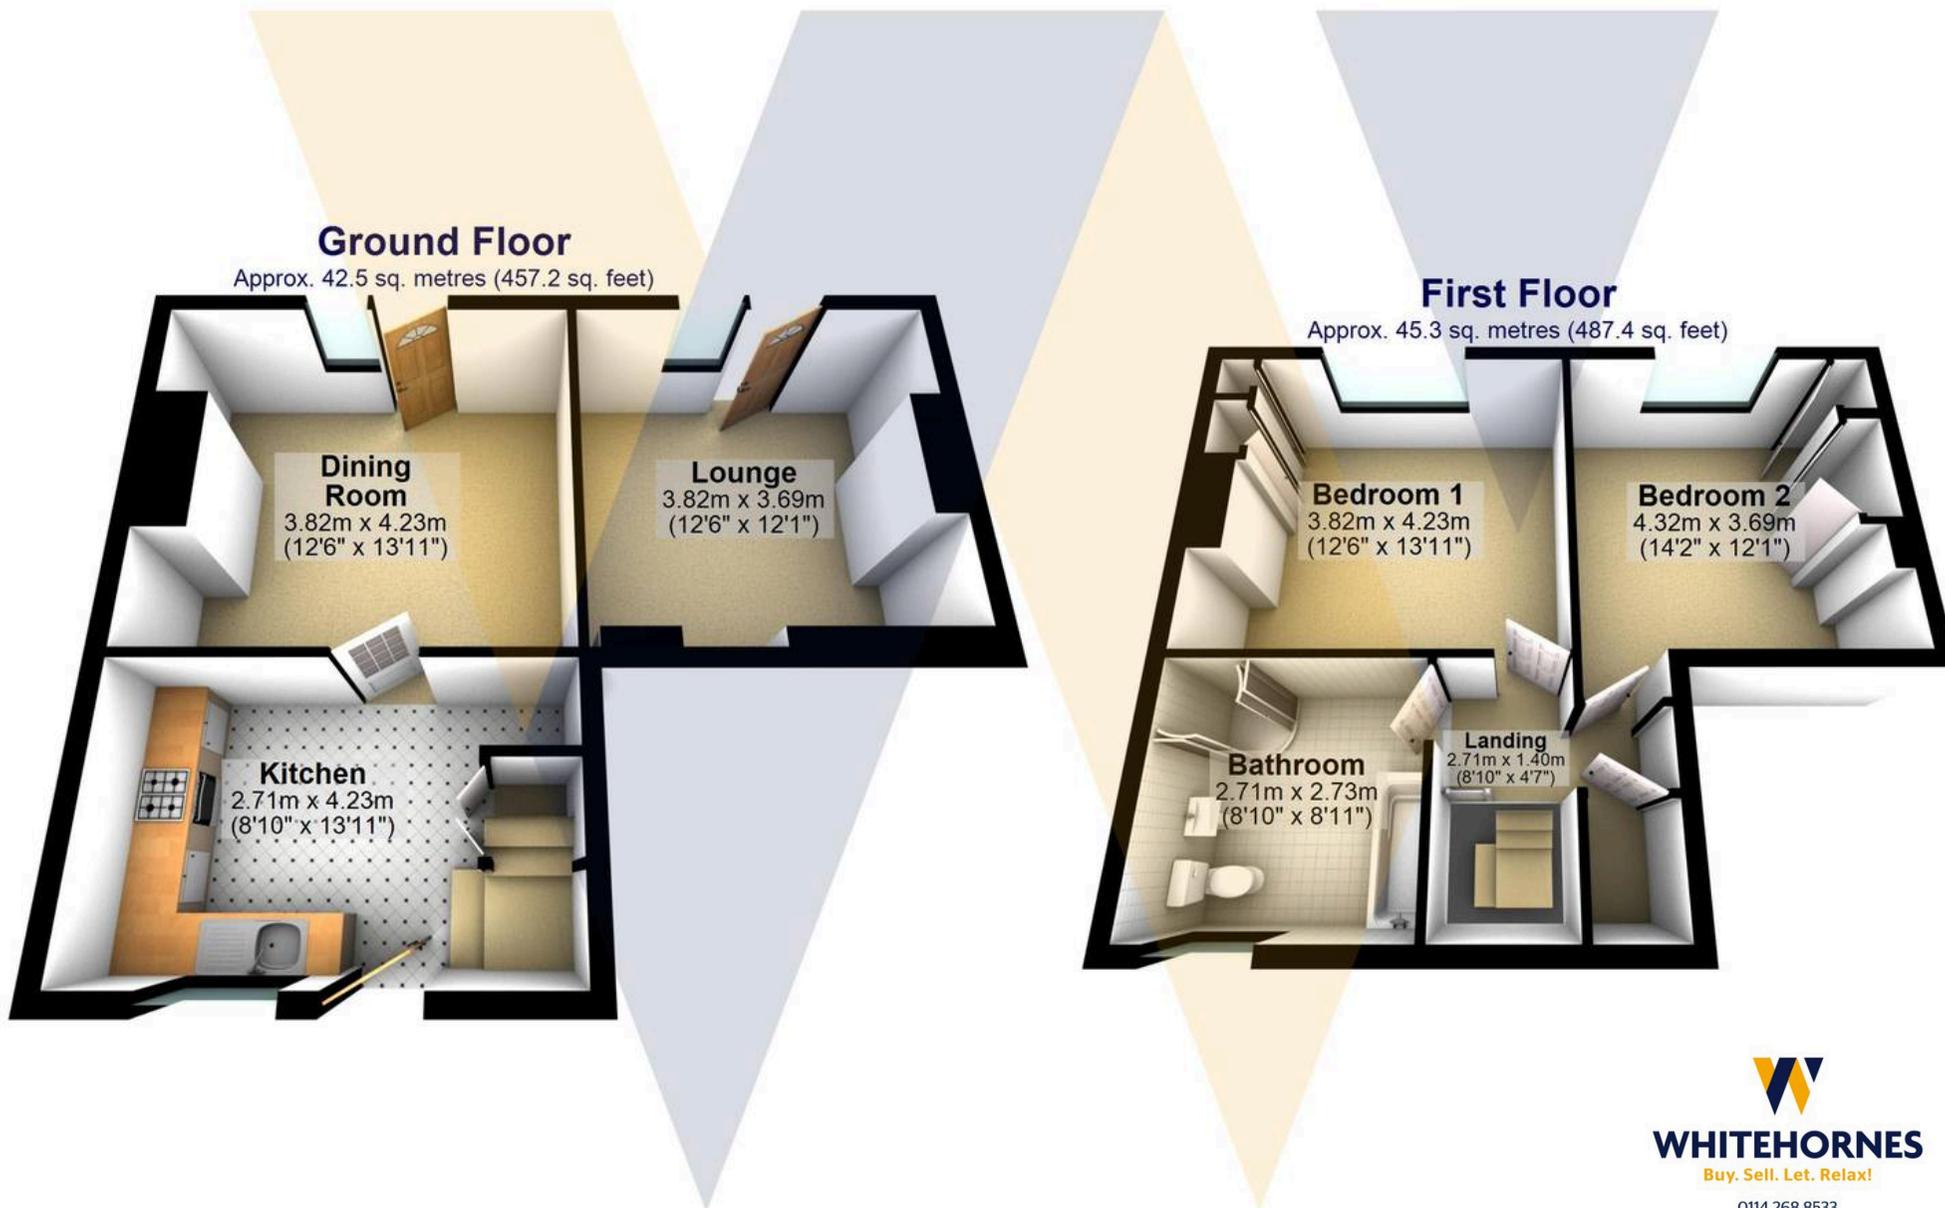

Greystones, Sheffield

Nestled in the heart of ultra-popular Greystones, this stunning two-bedroom period cottage terrace forms a unique part of Sheffield's rich history, dating back to the 1600s as part of the original Cliffe farm. This rare opportunity presents a home that combines two cottages into one spacious residence, offering a truly distinctive internal layout across two impressive floors totalling 945 square feet. The property boasts two exceptionally large double bedrooms, both featuring charming period details that blend seamlessly with modern comforts. The cottage is one of the most deceptive properties from the front, with its generous proportions only fully appreciated upon internal viewing. Council Tax band: C Tenure: Freehold
