Endcliffe, Sheffield

This beautiful three double bedroom period end of terrace home is a superb example of its era, offering an impressive 1,508 square feet of accommodation arranged over three spacious and light-filled floors. The property is brimming with original features, including elegant bay window, high ceilings, decorative cornicing, and period fireplace, all of which create a welcoming sense of character and charm. Perfectly suited for a growing family or professional couple, the house is located on a highly sought-after residential road in the very heart of Endcliffe, towards the south west of the city. The area is renowned for its excellent schooling catchments, including the acclaimed Greystones Juniors and High Storrs Secondary (both Ofsted rated outstanding). The layout provides flexible living spaces, with generous reception rooms, a well-appointed kitchen, and three spacious double bedrooms, making it an ideal home for both relaxing and entertaining. The property also benefits from being freehold, with a council tax band B and an EPC rating of D. Outside, the property boasts a rare and valuable opportunity to create a secure, gated off-road parking space where the garage once stood, or to reconfigure and landscape the space to maintain a larger private garden if desired. (Subject to council approval) The current garden area offers a pleasant outdoor retreat, with scope for further landscaping to suit individual needs and tastes. The location is second to none, with a short stroll leading to the green open spaces of Endcliffe and Bingham Parks, the picturesque Porter Valley.
